Findings and Observation: Departments

Criterion	Findings & Observation	Recommendation
1. Curricular Aspects	i. Recognition of POs & COs in the successful transaction of curriculum is not seen among teachers and students. ii. Records of using feedback in curricular revision are absent.	i. A workshop on curriculum designing and development will be fruitful. ii. Online course modules & outcomes of MOOCs, Swayam /e-Pathshala etc. may be incorporated in the curriculum.
2. Teaching - Learning and Evaluation	i. Records of assessment of learning levels & special program /measure adopted are not properly maintained. ii. Student-centric methods used and their identification are generally vague. iii. Slow and advanced learners & follow-up action are not properly recorded in many Depts.	i. Assessment of learning levels and improvement of the slowed should be strictly monitored from above as it helps in achieving the POs & COs ii. CIA process should be uniformly congruent to the statute. iii. A workshop on teaching methods is recommended.
3. Research, Innovation and Extension	i. Ratio of No. of teachers doing research project against No. of teachers working in the college is very low. ii. Research publications, collaboration, innovations, patent right, start-ups and consultancy service are the challenges	i. Teachers should be encouraged to take up more research projects. ii. Research Committee / Cell should be made actively functional towards creating a vibrant research culture.

	among the faculties.	
4. Infrastructure and Learning Resources	<ul style="list-style-type: none"> i. Shortage of class, Lab. and extension service rooms in almost all the Depts. ii. IT added teaching-learning delivering mode is blended only in a few Depts. iii. P.C. of teachers accessing e-library, e-books & journals, and using online platforms and media are low. 	<ul style="list-style-type: none"> i. Academic and physical infrastructure, including IT, need to be augmented. ii. Creating WiFi facility. iii. A workshop/training programme on accessing and using e-resources for teaching materials. iv. Setting up a digital media centre.
5. Student Support and Progression	<ul style="list-style-type: none"> i. Lack of proper recording and documentation of extension lecture, student supportive Departmental programmes / activities ii. Data of student progression is very few in most of the Depts. 	<ul style="list-style-type: none"> i. Faculty and alumni linkage should be effectively established in every Department.
