Give three observation / suggestions to improve the overall teaching-learning experience in your institution.

115 responses

Good

Excellent

Nothing

1.Use better graphics and visual media to engage students well, 2.Try to reach every student and ask for their doubts, 3.Make teaching a two way interaction.

To lecture more in English .

Want to share my opinion that our college authorities to make sure that they make some strict rules that we should do well in our college activities and to compete ourselves in studies thank you 🙏🙏

Proper maintenance of library

1. To thoroughly explain the lesson instead of just narrating the lines.
2. To atleast listen to a student's request about an important matter.
3. To add every student in their respective group (WhatsApp), in case they miss out on anything.

- 1.Regular process of interaction During class
- 2.Proper class notes and evaluation of questions.
- 3.More Improvement at online should be considered

- 1.To teach in both English and Manipuri

I want our institution to improve some teaching method for some teacher ,complete the syllabus on time earlier before the exam and I want to tell the teachers to give fair marks by seeing the overall performance of a particular student not only by looking at the attendance ,please look on the student's knowledge and how they write the exam papers and assignments.

Excellent

To have a good relation between teachers, and face to face interaction with teacher often, to have study tour appropriate with the lesson

1. Need to give emphasis on Practical Learning
2. More interaction Between teacher and students
3. The decision of A department Events or Program Should be decided by The Department's Concern teachers and Head of The department Not by someone who doesn't know anything about The Concern department subject....

- 1.requested to improve library facilities.

Conducting the class only in English so that students can improve communication skills

Very good teaching

1. Please maintain a proper boys toilet
2. Few teachers are very reluctant to take class and burden other teachers which led to incomplete of the syllabus

It's good

The teachings are good
All the teachers are all attentive
They solve problems for all the students

To improve communication among students and teachers; To be strict in adhering to the rules of the authority of the college; More active participation from the students.

- 1) kindly give more project and real time problem to solve.
- 2) Courses can be more research oriented.
- 3) New technology monthly updates can be given.

- 1) Courses can be more research oriented
- 2) Try to reach every student and asks for their doubts
- 3) Make teaching a two way interaction

1. To go study tour.
2. A good relationship between teacher and student.
3. Physical activity can be conduct to improve mental and physical health.

1. Ask them to take a topic for self learning.
2. Conduct debates, seminars and talk for the students.
3. Encourage them to ask questions.

1-Need more interaction between teacher and students

1. class room arrange
2. good department
3. good non teaching staff

Provide Digital library, give support to the poor students and fill up the lack of the teaching staffs

- 1) Teacher must take class on college timing not to cancel the class when student are at the college
- 2) teacher should take strick action on class for those who got absence
- 3) principal must check the class during class hour and must take action for those teacher who did not take class on time

1. teacher should be given full respect by the students.
- 2) many students in rural area are not satisfied with online class due to the problem og network, light etc .
- 3) some parents can't afford mobile phone Ang wifi to their son/daughter.

1. Use better graphics and visual media to angage students well. 2. Try to reach every student and ask for their douts. 3. Make teaching a two way interaction.

Use better graphics and visual media to engage students well.
Try to reach every students and ask for their doubts.

Three observations or suggestions to improve overall teachteaching and learning experience in institutions are:

- 1.use better graphics and visual media to engage students well.
- 2.Try to reach every student and ask for their doubts.
- 3.Make teaching a two way interaction.

Use better graphics and visual media to engage students well....

Try to reach every student and ask for their doubts.....

Make teaching a two way interaction.

I want physical class because there's problem with network system

- 1.Make teaching a two way of interaction.
- 2.Use better graphic and visual media to engage students well.
- 3.Try to reach every student and ask for their doubts.

fixe bug fixe crash improve lag

- 1)making Schedule effectively
- 2)Conducting Exam Regularly
- 3)Providing Good Library Room

1Use better graphic visual media to enage student well2 try to reach every student and ask for their doubts3make teaching a two way interaction

Not yet

Thanks

When I was doubt the teacher teach me everything
Our institutions is the best from other institutions
They guide me in every time .

Improve

Sometimes smart class is better than normal class.

- 1) use better visual media to engage students well
- 2) try to need every student and ask for their doubts
- 3) make teaching two way interaction

- 1.The relationship between teacher and student in our class is well good,I can ask my problem Frankly to some of my particulars teacher.
- 2.I would like to express my heartfelt gratitude towards all my staff for letting us go through the previous semester exam.
- 3.i prefer online class to offline class.

Thank you!.

Classes are very dark need more lights
Better and smarter desks and benches
More extra curricular activities cuz since i started college there's no such activities conducted by the college

Kindly give more project and real time problem to solve.cources can be more research oriented.new technology monthly update can be given

1. Use better graph and visual median engage students well.
2. Try to reach every students and ask for their doubts
3. Make teaching a two way interaction.

I think the lights in some of the classrooms are not working properly which makes it hard for us to be fully engaged when we are taking notes during class , or when we are doing practicals

College library should be open every day.
Also teachers and students should be on time.

- 1) More virtual teaching should be encouraged
- 2) All classes should have the facility of a smart class.
- 3) New books should be added to the library every month or two.

Physical class

Physical class

Use better graphic and visual. Media to engage student well

Our institutions is the best institutions while, I have doubt they teach me everything and they guide me.

All the teacher's of our institution are very good to us and they guided in good way.

1. Discussing when the student get any doubt
2. Providing the knowledge not only for the course.
3. Practical items is needed availability

- 1.Use better graphics and visual media to engage students well.
- 2.Try to reach every student and ask for doubts.
- 3.Make teaching a two way interaction.

Thanks to all my respected teachers for giving such a valuable knowledge and inspirations

Anything

Use better graphic and visual media to engage student well

-Experimental learning will enhance the intellectual of the students

I would be very glad if our college have a study tour/field trip. It would also improve our learning experience

Actings, way of speaking & way of teaching methods

Our teacher should teach in short period of time was effectively

1. i hope that organizing study tours and field trips sometimes can improve learning experience for students.
2. Sometimes co-curricular activities are also needed not only study.
3. smart classes should be done frequently for better understanding.

Excellent, Satisfactorily and good education

Encourage students to ask questions

1. Interaction with student
2. Regular test
3. Taking offline class once in a week

1. Use better graphics and visual media to engage student well. 2. Try to reach every student and ask for their doubts. 3. Make teaching a two way interaction

- 1) survey in the state (historical places)
- 2) to visit important places outside manipur to broaden the student mindset
- 3) educational guidance for the future

If they explained/teach in English in while they class it ll be good coz some didn't understand meitei

Lack of the teacher, lack of practical instrument and equipment, we want learning experience expert teacher

1. Communicate with colleagues
2. Communicate with parents
3. Create a welcoming environment

1. make sure to Explain in english
- 2.

1. Use better graphics and visual media to engage student well. 2. Try to reach every student and ask for their doubts. 3. Make teaching a two way interaction.

1. Use better graphics and visual media to engage student well.
2. Try to reach every student and ask for their doubts.
3. Make teaching a two way interaction.

(1) Use better graphic and visual media to engage students well. (2) Make teaching a two way interaction.

Good, Teaching process and so all

I think we
need a more hygiene campus
improve online class skill by the teacher
Need proper sanitary system

We know very easy and encourage them to ask question.

I'm satisfied with their teaching process

1. I request to my concerns teacher to communicate with students more.
2. I request my teachers to ask question during online class to check whether the students has listened attentively or not.
3. I am much thankful to be a students of ORENTC.

Yes

1. Library facility is not available at all.
2. New learning method.
3. Make learning visual

For this semester, our practical classes were done a little hastily . I would love it if it doesn't repeat in the next semester.

For this semester, our practical classes were done a little hastily . I would love it if it does not repeat in the next semester

They have to speak English..

1. Doing daily class
2. Keeping class room neat and clean
3. Clean college campus

i) Use better graphics and visual media to engage student well. ii) Try to reach every student and ask to their doubts. iii) Make teaching a two way interaction.

1. use better graphics and visual media to engage students well, 2. Try to reach every student and ask for their doubts, 3. Make teaching a two way interaction

1. use better graphics and visual media to engage students well, 2. Try to reach every student and ask for their doubts , 3. Make teaching a two way interaction

Learning experience is good
Study is more knowledge
College is higher learning

Good

1. Used better graphics and usual media to engage student well. 2. Try to reach every student and ask for their doubts. 3. Make a two way of teaching interaction.

Study materials should be provided

Lecturing through English

1. Schedule of CIA exam at the beginning of the session.
2. Discussion of question papers.
3. Practical class should start earlier.

Good, excellent & best of the best
